**Cider Maker:** MUST BE 18. Will be operating heavy machinery to produce fresh apple cider in our Cider House, cleaning and maintaining equipment, and bottling product. Must be able to work on your feet, lift 50 lbs., and work individually. Will need Food Handling Certification once hired for position. Weekend and Weekday Positions Available.

**Concessions:** Duties include preparing and serving food to guests, providing excellent customer service, keeping concession area clean at all times, and working as a team. You may operate a cash register in this job, and may be required to lift up to 35 lbs. Will be responsible for completing end of day cleaning tasks. Weekend & Friday Only Position.

**Corn Cop:** Duties include making sure guests can find their way through our corn maze, assisting guests with questions, keeping maze clean of trash, and keeping guests safe. May need to operate a cash register, will need to walk long distances and work outside. Weekend & Friday Only Position

**Donut Maker:** In this position, you will prepare and package our apple cider donuts, operate the donut machine, prep and clean all equipment and work space. This job will require you to be able to lift 50 lbs, work on your feet, and have a Food Handling Permit once hired for the position. Weekend and Weekday Positions Available \*May require early morning shifts.

**Hayride/Barrel Train Driver:** Must be 21 years of age or older and have a valid drivers license. Duties include checking and preparing the tractor and ride at the start of each day, and cleaning at the end of the day. Drivers must be friendly and be able to greet guests and answer questions when asked. Weekend Only Position.

**Kitchen Staff:** Your job will include preparing and serving food to guests in our store and bakery. You will need to work well with others, be friendly to guests, and keep the kitchen clean at all times. This job will require you to be on your feet for long periods of time, and if hired, you will need to get a food handling permit. Each person will be responsible for completing end of day cleaning tasks. Weekend and Weekday Positions available.

**Orchard Staff:** In this position you will work in the orchard to oversee our u-pick apple operation. This job includes offering customer service, assisting guests while picking, providing security in the orchard, offering samples of apple varieties, picking apples and picking up apples for apple cannon “ammo”. Weekday positions include picking and packing apples for our store. May need to lift up to 50 lbs (a crate of apples). This position may rotate with Cannons. Weekend and Weekday Positions Available

**Outside Sales Staff:** This is a cashier position in one of our admission buildings. You will need to greet and assist guests with questions about our activities, operate a cash register, be friendly and outgoing, and clean and re-stock your area as needed. Will be responsible for completing end of day cleaning tasks. Weekend Only Position

**Petting Zoo:** In this position you will work with animals and guests in our Animal Barn Petting Zoo. You will need to greet and assist guests, do morning and afternoon chores for the animals (this includes feeding, watering, changing out bedding, and yes... cleaning up poop). You also will need to operate a cash register and have basic math skills. This position also monitors the Jumping Pillow and Barn Yard Play Area. Weekend and Weekday Positions are available.

**Scheduling Supervisor:** You will help set up schedules for 100 employees using an on-line scheduling program. This job requires patience, leadership, organizational skills, computer skills, and great time management. You also need to be a friendly & outgoing person to answer questions of employees and guests. Must have supervisor experience, and be 21 or older. Weekends required, with limited work on weekdays.

**Store Stocking:** Your job will include packing and stocking fresh apples and cider in the store or stocking products in the Ciderhouse. This job requires you to work on your feet, be able to lift 50 lbs, and often work individually. The store stocking job is mostly behind the scenes, but will involve interaction with guests including sampling apples and answering questions. Will be responsible for completing end of day cleaning tasks. Weekday and Weekend Positions are available.
